Help Me Bounce By Spare Key

HOW DOES IT WORK?

Help Me Bounce (helpmebounce.org) is a donor-directed giving platform that combines the power of crowdfunding with Spare Key's direct financial support to help leverage social media to raise more funds to support a families facing a medical crisis.

1 APPLICATION

Families apply for aid on Help Me Bounce and are approved based on our program guidelines.

2 SET UP PROFILE

Each family is given a Help Me Bounce profile upon approval. They populate their profile and begin writing blog posts to share updates on their journey.

3 SHARE WITH NETWORK

Families share their profile with their own network and Spare Key works to drive traffic to the site to grow the "crowd."

4 DONATIONS

Donors choose a family to impact. There are no administrative fees, and donors can have 100% assurance that 100% of each donation will go exactly for what it was intended.

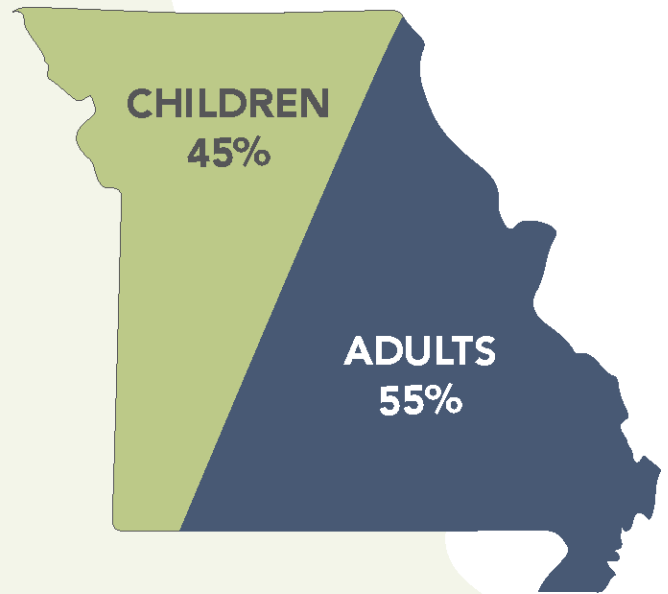

5 SERVICE PAYMENTS

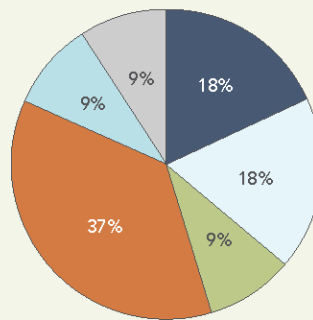

Once a family reaches their goal, Spare Key sends a payment directly to their service provider.
